THE FOLLOWING CONDITIONS ARE NOT COVERED BY THE LIMITED WARRANTY:

1. Faults or damage caused by installation error, improper maintenance, neglect, altering, tampering, or careless operation or handling of the products that are not in accordance with Katerra instructions or specifications, or if it is used for other than the intended purpose after the product has been delivered and accepted by the receiving party – whether performed by a contractor, service company, or yourself.
2. Damage caused by using cleaners not in compliance with cleaning recommendations.
3. Normal wear and tear due to the normal aging of the product, including parts that are expected to deteriorate over time. Gloss reduction, scratching, abrasions, deterioration (due to the use of paints, solvents, or other chemicals), staining or alkaline etching of the finish over time due to use, cleaning practices, or water or atmospheric conditions, are not manufacturing defects but are indicative of normal wear and tear.
4. Temporary marks on the products, including but not limited to metal marks, fingerprints or smudges, or other temporary marks made by household items.
5. Consumable parts designed to be replaced over time during the life of the covered product. Including, but not limited to, batteries, bulbs, and fuses.
6. Replacement of house fuses, resetting of circuit breakers, or to correct house wiring; or failure of the product caused by the delivery of incorrect electrical current or voltage.

7. Failure of the product to perform during power failures, interruptions, or inadequate electrical service.
 8. Damage caused by direct exposure to water or other liquids.
 9. Products that the customer decides they do not like after installation due to color, styles, or other opinions based on personal preference.
 10. Cosmetic damage not reported in the first 48 hours after delivery. All products must be inspected before installation. Installation of products with visual defects or nonconformities apparent before installation void this warranty.
 11. Discoloration, rust, or oxidation resulting from caustic or corrosive environments including but not limited to high salt concentrations, high moisture, humidity, or exposure to chemicals. Installation applications within 5 miles (8 kilometers) of a body of salt water are considered high salt concentration environments.
 12. Damage caused after delivery, including damage to the finish of product or home incurred during installation, including, but not limited to, floors, cabinets, countertops, walls, etc.
 13. Damage from children, animals, plants, or insects.
 14. Unless specifically stated otherwise, this product is not approved for the following installation applications: aircraft, watercraft, recreational vehicles, outdoors, indoor swimming pools or hot tubs, saunas, steam rooms, greenhouses, walk-in freezers or refrigeration units, or other extreme environments.

 16. Loss or damage caused directly or indirectly by flood, wind-driven water, surface water, waves, tidal waves, overflow of a body of water, or spray from any of these (whether or not driven by wind); water which backs up from sewers or drains or water from broken or leaking plumbing pipes; changes in the water table which were not reasonably foreseeable at the time of construction, or water below the surface of the ground (including water which exerts pressure on, or seeps or leaks through, a building, sidewalk, driveway, foundation, swimming pool, or other structure); canals, rivers, wetlands, springs, or aquifers.
 17. Labor: This limited warranty is for material only and does not cover labor charges – including installation, removal, and reinstallation, or other incidental or consequential costs associated with surrounding material such as countertops, walls, ceilings, paint, cabinets, or flooring. The original purchaser may be covered by a separate workmanship or installation warranty from the general contractor or licensed professional who installed the product.
 18. Industrial/Commercial Use: Unless specifically stated otherwise, this limited warranty is extended to light commercial applications – including multi-family apartment units, schools, professional office buildings, retail, hospitality guest rooms, and other similar installation applications only. Excluded from this limited warranty are industrial or heavy commercial operating environments and usage scenarios that significantly differ from normal residential usage patterns and operating conditions. Examples include industrial/manufacturing workspaces where employees are regularly required to wear personal protective equipment (hard hats, safety

glasses, protective coveralls, etc.), professional kitchens & restaurants, food service, laundromats, hospitals, laboratories, and other high-volume, heavy-use, harsh or chemically caustic environments. If there are questions as to the type of use that is considered "Light Commercial", please contact your Kattera sales representative before purchase and installation.

Repair or replacement costs for any circumstances not covered by this warranty shall be borne by the customer.

This warranty is not in force until full payment has been received for the covered products.

Kattera LED mirror products are covered by Kattera's separate Mirror warranty.

Kattera does not warrant that the operation of covered products will be uninterrupted or error-free. This warranty does not constitute a performance warranty and does not extend to the future performance of goods. It is expressly contemplated by the warranty that any part of the product may contain a defect in material or workmanship and that any part of the product may fail during the warranty period. The buyer's sole remedies under this warranty are limited to repair, replacement, or refund in the event a part fails due to a defect in material or workmanship.

This warranty is not a statement of the expected useful life of any KOVA product.

Replacement parts can be new or remanufactured. Repaired parts or replacement products are warranted for the remaining portion of the original product's warranty period. The original warranty period is not extended by repair or replacement activities. Defective parts must be made available to Kattera in exchange for the replacement parts and become the property of Kattera.

This warranty is extended to the original purchaser or owner at the original installation location in the United States and is non-assignable and non-transferable.

Kattera's total liability or cost, for the life of this warranty, is limited to, and capped at, the original purchase price of the warranted product(s) – whether the claim is based on strict liability, negligence, breach of warranty or any other theory or cause of action.
